

Acute Care Forum Newsletter

Welcome to the latest edition of 'ACF Update'. The Acute Care Forum [ACF] was set up to ensure that issues relating to acute mental health care were properly looked at. The meetings are every month and are attended by people drawn from all parts of the service. There are people who work to provide care as well as service user and carer representatives. This newsletter aims to keep you informed of some of the key things that are happening in acute mental health care. If you have any questions, would like to know more, or want to raise anything through the Forum, then please raise this with a member of staff or email kieran.kinsella@solent.nhs.uk

Very best wishes to everyone for Christmas and the New Year
